Overview: Sydney, Australia's gateway city and the capital of New South Wales (and the site for the 2000 Olympics) is built around one of the most beautiful harbours in the world, and along kilometres of golden beaches stretching north and south of the city on the shores of the Pacific Ocean. Sydney is a friendly city offering visitors a variety of attractions and activities. Perhaps Sydney's most famous landmark is the spectacular Opera House with its graceful 'sails'. The Opera House has become Sydney's cultural centre, offering opera, ballet, concerts, drama and film.

The harbour foreshore is home to the historic Rocks area, the site of Australia's first European settlement in 1788, and now home to a variety of galleries, museums, restaurants and shops. Also overlooking the harbour are the Royal Botanic Gardens, Sydney Aquarium and Taronga Zoo.

Sydney Aquarium has a larger collection of Australian aquatic life with over 12,000 animals including huge sharks and rays, platypus, seals, fairy penguins, crocodiles and much more! Take a journey through one of the most spectacular aquariums in the world and explore Australia's rich and diverse waterways, marine ecosystems and unique aquatic environments.
